

TIME OFF

Between meetings enjoy the city's best and newest attractions at your doorstep. There are new restaurants on the boardwalk at River Market, including one featured on the Food Network's Eat St. series. Walk to the new Pier Park for a picnic, or take a riverboat tour of Vancouver. New shops at the New Westminster SkyTrain station are also nearby.

FITNESS

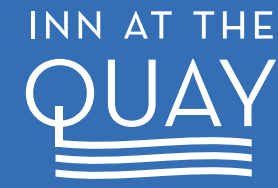

Ready to sweat? Treadmill time flies when you're enjoying the view. Our 24-hour fitness centre, with flat-screen TVs at every station, looks out over the Fraser River. Relax in the whirlpool or sauna anytime. Feel refreshed for an early morning jog along the riverside boardwalk.

THE BOATHOUSE RESTAURANT

Crave this: Fresh, locally caught Miso Crusted Halibut or Three Mustard Wild Salmon paired with a BC wine. The Boathouse, a beloved Vancouver area seafood restaurant, happens to be connected to our hotel. Lucky us. Lucky you. Dine alfresco on the riverfront patio, eat inside at an elegantly appointed table, or give yourself permission to order room service often.
